• REACH

Mega Magic serves the **South African** and **African** marketplace.

Current Footprint

• OVERVIEW

Mega Magic was founded in 1987 and has grown into a leading supplier of **high quality** industrial and institutional detergents and chemicals.

• MISSION STATEMENT

To become the **largest** cleaning chemical supplier into Africa, providing our customers with unprecedented **value** and **support**, whilst protecting and caring for our core foundation; our workforce.

• OFFERINGS

Our extensive range of **products** include degreasers, bleaches, disinfectants, vehicle care, floor care, solvents, aerosols, laundry detergents and kitchen detergents. We also manufacture a range of **biodegradable** products.

Mega Magic serves many different industries including commercial canteens, logistic/transport companies and industrial factories.

• WHERE THE 'MAGIC' HAPPENS

Newly built in 2012, our **ISO 9001:2015** compliant **factory** was purposefully designed to cater for our clients' present and future needs.

We are regularly audited by **SABS** and our Kitchen Care (KC) range of products hold the necessary SABS certifications.

We take pride in our in-house blending plant, as **health and safety** and **environmentally friendly** practices are at the forefront during our day to day operations.
